

Making change, one voter at a time.

**In South Carolina,
nearly 2 million people don't vote.**

In an effort to find these missing voters and build power at the grassroots, the SC Progressive Network has launched a nonpartisan voter registration campaign.

We can't do it alone.

Please join the **Missing Voter Project** by coming to a **free training session**, where you will learn how to find and register voters in your community. Participants will be organized into teams, and will set their own schedules. If you can, bring a few friends to create your own team.

**Columbia Missing Voter Training
