

SC Progressive Network Fall Retreat

Oct. 3 – 4

Historic Penn Center, St. Helena Island SC

Get away to the Lowcountry to talk politics, build alliances, sharpen organizing skills and recharge your batteries. Find out what's happening in South Carolina's progressive community and how you can help grow a grassroots movement for social equality and political power. Come for a day or for the whole weekend.

Guest speakers include acclaimed labor and civil rights activist Bill Fletcher and SC Rep. Joe Neal, who will offer critical analysis and perspective on our state and nation. The most important component of the weekend will be the participants themselves, who will take a hands-on approach to advancing our issues in the coming year.

The weekend begins at 10am on Oct. 3 and runs through 2pm on Oct. 4. Full package is \$100, and includes conference materials, all meals and overnight accommodations. Day-only registration is \$10. Car pools available. Call 803-808-3384 for details.
